Christine and Will:

I think these questions are all things we can cover in the discussion tomorrow. **Ex. 5 - Deliberative**
Ex. 5 - Deliberative We would have a message ready, something along the lines of "Oregon's CZARA program is being disapproved because of the deficiencies in forest practices listed in the decision document. However, we stand ready to work with the State of Oregon to resolve those deficiencies to allow Oregon to receive program approval. **Ex. 5 - Deliberative**

I am prepared to send the bullets out tonight and we can go through these things on the phone tomorrow. We really can make this harder than it needs to be. **Ex. 5 - Deliberative**

Will and Dennis, I think the sequence of steps makes sense. However, the devil is in the details and I've identified some of the questions that are relevant/important that you should think about:

- 1) **Ex. 5 - Deliberative**
- 2) **Ex. 5 - Deliberative**
Ex. 5 - Deliberative
- 3) Item 3 on your list will need elaboration. Again, it's one of those devil in the details kinds of issues.

Ex. 5 - Deliberative

Otherwise, looks good. Thank you for the preview and thanks for your and Dennis' work on this. I totally get what you guys are trying to do.

Dennis, Christine:

We've got lots of conversations in various cubicles occurring around details on Oregon CZARA disapproval sequence, so I thought we should write down one trajectory that reflects my understanding of what Dennis and I have been discussing. Dennis and Christine, please have a look to verify and then we can send to the larger DC group for purposes of grounding our discussions tomorrow with some specifics. If OK, with or without edits, then we can send to the DC participants and all get squared away efficiently.

Thanks,

WS
